Alderman: Danny Ritchie

Others present:

Manager: Matt Settlemyer

Fire Truck – Chief Baker and Mike Brown were present to review their findings from visually inspecting the Toyne Fire Trucks. Chief Baker stated that he was impressed with the trucks and the way they were built. After viewing the trucks, Chief Baker suggested that we make a few changes to the minimum truck specs which would help in the long run. Manager Settlemyer stated that according to bid laws, in order to make changes to specs we would have to reject all bids and rewrite the minimum specs. Alderman Benny Orders made a motion to reject all bids and rebid with the new specs to meet our needs. Alderman Yount seconded the motion and the vote was unanimous. The Council asked that the new specs be brought to the board for review before sending them out for bid.

Adjournment - With no further business to discuss, the meeting was adjourned at 7:52 p.m. upon a motion from Alderman Reed, seconded by Alderman Orders.
